RESPONSE

Sir:

This is in response to the United States Patent and Trademark Office Action mailed March 10, 2009, which response is being made on or before June 10, 2009 and for which no late fees are due.

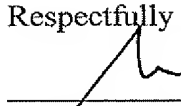

The referenced Office Action recited that the application was filed on June 21, 2006 being the Filing or 371 Date, being later than 30-months from the earliest priority, thereby not allowing the priority rights.

The above-referenced Application is the National Stage Entry of PCT/IL2004/000370, International Filing Date May 2, 2004, having the earliest priority of US Provisional Application 60/468,635, filed May 8, 2003, the 30-month deadline for filing due by November 8, 2005.

Applicants Date of Entry of the above referenced National Phase Application is October 13, 2005 being within 30-months of the earliest priority date thereby allowing entitlement to the priority rights.

In view of the foregoing Applicants respectfully request that application be re-examined and a new Non-Final official action, or Notice of Allowance, be mailed in light of the Date of Entry of October 13, 2005.

Respectfully submitted,

Mark M. Friedman
